

Memorandum

Date: September 3, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Eagles Wings Transportation LLC Application for a Transfer of Passenger Motor Carrier
Certificate of Transportation No. 30246

Agenda Item No. 3(B)(5)

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the transfer of Passenger Motor Carrier (PMC) Certificate of Transportation No. 30246 from HEEV Group LLC to Eagles Wings Transportation LLC.

Scope

This PMC Certificate of Transportation is countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

Fiscal Impact/Funding Source

Licensing, operating permit and inspection fees are collected by the Department of Regulatory and Economic Resources to support regulatory activities. There is an annual regulatory fee of \$625 per certificate and \$625 per vehicle that will yield \$1,250 in revenue annually if the company operates only one (1) vehicle. Passenger Motor Carrier certificate holders can operate an unlimited number of vehicles under the certificate. Vehicle inspections are \$38 per vehicle.

Track Record/Monitor

Applicant is a new service provider. The applicant is in compliance with all Miami-Dade County Code (Code) requirements. Joe Mora, Division Director within the Department of Regulatory and Economic Resources, will be responsible for monitoring this company.

Background

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code.

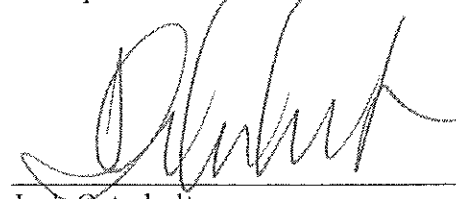

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the public hearing. The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

HEEV Group LLC has filed an application to transfer Passenger Motor Carrier Certificate of Transportation No. 30246 to Eagles Wings Transportation LLC. Transferred on July 19, 2011, via Resolution R-609-11 (Attachment A), PMC No. 30246 authorizes special operations service. This class of service is defined as transportation of persons in a motor vehicle to a common destination or series of common destinations where the person may be charged as an individual or as part of a group, including but not limited to charter, sightseeing, or subscription service, not between fixed terminals or on a regular route.

The company is required to adhere to the terms of the resolution, which approved the certificate. Eagles Wings Transportation LLC, located at 840 NE 178 Terrace, Miami, Florida 33162, seeks to continue providing this class of service by transporting tourist and resident groups to and from various locations throughout Miami-Dade County 24-hours a day, seven days a week. Transportation is required to be pre-arranged at least 24-hours prior to service, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the attached rate schedule (Attachment B).

The management plan submitted by Mr. Yonathan Menahem, Manager of Eagles Wings Transportation LLC, includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. A Sales Agreement (Attachment C) between HEEV Group LLC and Eagles Wings Transportation LLC establishes the acquisition of Passenger Motor Carrier Certificate of Transportation No. 30246 for a total price of \$34,000.00.
